

How well does the the student explain how attending this conference/event will benefit his/her long term professional development?

Please leave comments as they are always useful to students so they understand why they did not receive the grant

Applicant Name:

Committee Member Initials:

	for each criteria, score from 0 to 10, with 0 as worst, 10 as best	comments
How well does the the student explain how attending this conference/event will benefit his/her long term professional development?		
Did the applicant provide a brief description of their work and/or what they will be presenting at their event? (either through a description of their work in the personal statement or in a submitted abstract)		
Did the student describe the event attending? Did the student describe any other efforts to secure other funding?		
Does the budget provided appear to be reasonable and thoroughly researched? Did the student follow the GPSC guidelines when preparing the budget?		
Final Score (Please add up)
